

GREAT SOUTHERN RIDE

The purpose of the ride experiences is to give the rider an estimation of time, the distance for a return trip.

Ride One

Leongatha - Koonwarra - Meeniyan. (Return Trip)

Time: 2.0 hours plus stops
Distance: 33 km

Leongatha

Start your ride from beautiful Horticultural Park, the beginning of the GSRT. The descent down the track past dairy farms & lowland forests.

Koonwarra

Café options for your first coffee stop. Rupert's Giftware Store to look through a fabulously curated selection of homewares, kids' clothes, and something special for you or your loved ones.

The track winds its way through Black Spur Creek, crosses Tarwin River over historic railway bridges. It is fun riding over the bridges. Be awed by the lush fern gullies and the rolling valleys.

Meeniyan

A lovely community-spirited town. Good coffee and food offerings, interesting shops, Meeniyan Gallery is supported by local artists, and interesting handmade jewelry.

Enjoy lunch at one of the many gourmet cafes. A great suggestion is to buy some fresh rolls and cakes and find a secret place along the GSRT with an amazing vista to enjoy your picnic.

Return trip to Leongatha.
